

# Coding sheet Female Additional Manual (FAM)

*Additional guidelines to the HCR-20<sup>V3</sup> for women*

<b>Name:</b>	<b>Date:</b>
<b>Age:</b>	<b>Context of risk assessment:</b>

Historical items		Code	Relevance
H7	Personality disorder: <i>additional guidelines to the HCR-20<sup>V3</sup></i>		
	a) Antisocial, psychopathic, and dissocial (lower PCL-R cut off scores for women)		
	b) Other personality disorder:		
	1. Cluster B (except antisocial/psychopathic) or traits of suspiciousness		
	2. Other personality disorder		
H8	Traumatic experiences: <i>additional guidelines to the HCR-20<sup>V3</sup></i>		
	a) Victimization / trauma		
	1. During childhood		
	2. After childhood		
	b) Adverse childrearing experiences (original HCR-20 <sup>V3</sup> coding guidelines)		
H11	Prostitution		
H12	Parenting difficulties <input type="checkbox"/> n.a.		
H13	Pregnancy at young age		
H14	Suicidal behavior / self-harm		

Clinical items		Code	Relevance
C6	Covert / manipulative behavior		
C7	Low self-esteem		

Risk management items		Code	Relevance
R6	Problematic child care responsibility		
R7	Problematic intimate relationship		

Other considerations

Final risk ratings near future (12 months)		
Final risk ratings violence to others		
Future violence	Serious physical harm	Imminent violence
<input type="checkbox"/> Low <input type="checkbox"/> Low - Moderate <input type="checkbox"/> Moderate <input type="checkbox"/> Moderate - High <input type="checkbox"/> High	<input type="checkbox"/> Low <input type="checkbox"/> Low - Moderate <input type="checkbox"/> Moderate <input type="checkbox"/> Moderate - High <input type="checkbox"/> High	<input type="checkbox"/> Low <input type="checkbox"/> Low - Moderate <input type="checkbox"/> Moderate <input type="checkbox"/> Moderate - High <input type="checkbox"/> High
Extra risk ratings		
Self-destructive behavior	Victimization	Non-violent criminal behavior
<input type="checkbox"/> Low <input type="checkbox"/> Low - Moderate <input type="checkbox"/> Moderate <input type="checkbox"/> Moderate - High <input type="checkbox"/> High	<input type="checkbox"/> Low <input type="checkbox"/> Low - Moderate <input type="checkbox"/> Moderate <input type="checkbox"/> Moderate - High <input type="checkbox"/> High	<input type="checkbox"/> Low <input type="checkbox"/> Low - Moderate <input type="checkbox"/> Moderate <input type="checkbox"/> Moderate - High <input type="checkbox"/> High
<b>Optional:</b> <b>Final judgment protective factors</b> (assessed with the SAPROF)		<input type="checkbox"/> Low <input type="checkbox"/> Low - Moderate <input type="checkbox"/> Moderate <input type="checkbox"/> Moderate - High <input type="checkbox"/> High

<b>Evaluator(s):</b>	<b>Position evaluator(s):</b>
----------------------	-------------------------------

Relevance: Yes/Partially/No; relevance of each item for the current risk for violent behavior.  
 The original HCR-20<sup>V3</sup> items need to be coded with the HCR-20<sup>V3</sup> manual (Douglas et al., 2013).
